

# SUPPORTING THE 4-H ENDOWMENT HELPS KIDS GO TO CAMP!

## 4-H Camp Helps Youth Learn to:

- Be more responsible for themselves
- Develop new skills
- Develop lasting friendships
- And much more!

Holiday Lake 4-H Educational Center now has an **Camp Scholarship Endowment** account where **your donation will always be here to help grow funds for kids to come to camp** in the form of scholarships for those youth who may not otherwise have the opportunity due to economic hardships.

**How it works:** only the earnings on the endowment account will be used for scholarships; as the fund grows, more youth will be impacted! **You** will be investing in the development of camper's **head, heart, hands** and **health** as stated in the 4-H pledge.

*Canoeing is always a camp favorite.*

*A camper learning to swim with assistance from the instructor*

## Your Investment in Action!:

### The 4-H Center serves children by:

- optimizing opportunities to obtain life skills.
- better enabling them to become contributing, productive members of society.
- serving from all backgrounds, though focuses on keeping cost as low as possible as 14 of the 17 counties and two cities served are above the state poverty level.

**You can send your support funds** electronically @
